I/we are happy to provide **SPONSOR SUPPORT** for a child(ren) through World Family Foundation. I/we understand that sponsorship can be for a child's living expenses or school fees or both, and that a member of the WFF Board of Directors will discuss my/our preferences and frequency of contributions. Sponsor reminder invoices are sent out on a monthly, quarterly, semi-annual, or annual basis to assist our sponsors to make their contributions so the funds may be transferred for the children on time.

I/we would like to contribute as a **FRIEND OF WORLD FAMILY FOUNDATION** and make periodic donations to the general fund to be used where the need is greatest.

World Family Foundation (WFF) is a US 501 (c)(3) non-profit organization whose mission is to assist needy children with basic care and a good education. Our first project, a residential home and school is called Prashanti School in Puri, India. It was started by our founder, Elizabeth Burnett, in response to the horrible aftermath of a 1999 cyclone in India, which killed 10,000 people and left many families unable to procure even the barest of necessities for survival. WFF continues to provide destitute children enrolled in Prashanti School with education, housing, food and clothing. In 2009 we created a new day school for our children, Prashanti International School, so they can have the best education possible with all classes taught in English.

Our Board of Directors includes experienced individuals who are committed to helping others and to changing the world, one child at a time. All positions are volunteer posts so that more than 90% of donated funds go directly to projects that benefit the children we are helping. These children totally rely on your kind generosity. So please help us in making the world a better place to live. Thank YOU!
